Got Brains?

Why yes we do! Pop Warner's scholastics requirements drive our participants to strive for the best on the field and in the classroom! Our organization prides itself on molding well rounded kids who grow into responsible adults. We are so proud to share the names of those with top honors for the 2009 season. The Deltona Panthers All-Americans are as follows: Justin Adams, Kaitlynn Baird, Paul Bebee, Kyle Bordeaux, Tiffany Burkhead, Kyle Carey, Michael Galka, Leonardo Hurtado, Anthony Miranda, Cameron Myles, Ali Payan, Jonathon Recinos, Michael Ross, Chloe Taylor, Samantha Taylor, and Khayleb Willis. Congratulations to all of our All-American Scholars and also to our participants who are working hard to be the best student they can be! Keep up the good work!

Eat, Drink, & Be Merry!

Our March 29th Panther Night at Chili's was great fun! Many came to the Orange City restaurant both to represent their team and their association. It looked more like a reunion than a fundraiser but luckily it raised some dough for the kids too! Thank you to all who came out to support The Deltona Panthers! Hope to see you again very soon!

The Longest Yard Sale & Registration

On Saturday April 17th The Deltona Panthers hosted a Rummage Sale Fundraiser and Registration Day at Deltona Skate Center. We sold everything from knick knacks to old baseball cards. All the sale items were donations made by our own Deltona Panther families. This fundraiser could not have been successful without the help of dedicated volunteers and generous donations. A big thank you to all who were involved with this event.

The Deltona Panthers Relay for Life Team

On April 30th our association was represented at The American Cancer Society's "Relay for Life" fundraising event. Our core team consisted of the six following board members: Heather Loudermilk, Heidi Sierra, Jen Suarez, Carlos Suarez, Dawn White and Kristie Mosley. This team gathered donations before the event and organized a music themed tent at the Relay for Life event. We had parents and participants who shared in this truly touching experience. We had many of our Panther kids and parents join in walking around the track, dancing, singing, and showing their Panther pride. It was a very rewarding and memorable experience! We are proud to say we were able to raise \$1300 to help in the fight against cancer! Thank you to all who supported The Deltona Panthers Team!
